RETURN POLICY:

Rubber the Right Way offers a 100% satisfaction guarantee on ALL of our products. We place no time limit on returns, as we know the experienced restorer will order parts long before he or she will need them. There are however a few conditions on all returns.

A Rubber the Right Way sales receipt MUST accompany all returns. Item(s) must be in unused condition. Item(s) do not have to be in original packaging. However, we cannot offer refunds on parts which have been installed and removed, cut, modified, etc. We suggest comparing your new product to the original before installation when possible. If no original part is available, test fit the product on a clean vehicle before any adhesive or fasteners are applied.

PRICES:

Prices are subject to change without notice. If unsure, please call our sales line for the latest information. We always try to maintain competitive prices, but our costs can sometimes change without notice. Part #'s, specifications, and descriptions of parts are also subject to change.
